Hi John,

About 10 years ago I had mail contact with your mother Bep Langkamp and with you.

Are your parents still alive? Bep wrote me that she couldn't mail me anymore because she suffered from dementia..

I lost your mailadress (computercrash), bur found it today in mij archive ...

Greetings from Ria Snoek, Leiderdorp

Hello Ria

Sorry to say that both mom and dad have been gone for few years now. We miss them both.

I hope you are well. Sheryl and I wish you merry Christmas and a happy new year.
